These fees are not B2B Bank fees. <sup>2</sup>Foreign currency transactions made by debit card and any fees charged by the ATM provider are converted to Canadian dollars at the exchange rate set by FICANEX Services Limited Partnership and Fiserv EFT in effect on the date the transaction is processed. Any fee charged by the ATM or network operator after conversion to Canadian dollars will then be added. Since exchange rates fluctuate, the exchange rate applied to your account will usually differ from the exchange rate at the time of the transaction. <sup>3</sup>Foreign currency transactions made by debit card and any fees charged by the ATM provider are converted to Canadian dollars at an exchange rate set by Visa International in effect on the date the transaction is processed. A fee of 2.5% of the transaction amount after conversion will be added, plus any fee charged by the ATM or network operator after conversion to Canadian dollars. Since exchange rates fluctuate, the exchange rate applied to your account will usually differ from the exchange rate at the time of the transaction. <sup>4</sup>Interest is calculated daily on the closing overdrawn balance and charged monthly. Each month you will deposit an amount that will cover the monthly overdrawn interest. <sup>5</sup>Inactive account notices will be sent at two, five and nine years of inactivity. If inactive notice is acknowledged within 60 days, there is no charge. If the balance of the dormant account is less than the fee to be collected, the charges correspond to the remaining balance.
